 Playtonia™

4. Same page in SIGN IN with only the email id and password fields and Sign-In button
Additionally:

Add Forgot password button as well

Let's keep it simple and the password should be sent to the registered email address.

Once he logs in again after clicking forgot password, ensure to change the password mandatorily when the user logs in.

Send a link to change the password directly from the email and get it changed and then come to Sign-In page and log in

**OX & FOX's****DHARAN SPORTS**

A Unit of OX & FOX Sports and Charitable Trust

Submit button – will save the data to the database and once saved the Player ID will be generated as per the logic:

Player ID logic:

OXF = constant & default + Player's first letter of the first name + Auto generation of the number

(Start the auto generation number from 6)

Once player ID is generated, trigger the email to the player and have the registration sent to admin approval to verify the details and approve in the system.

Once admin approves enable all the access to the player and send another email confirmation to the player.

5.1

Email Trigger for Player ID Creation & Pending for approval:

All emails should be triggered from support@धारानस्पोर्ट्स.इन

Email Template:

From: Dharan Sports Academy

To: Registered Email ID of the User

Subject: Email Player ID Created & pending for approval from Dharan Sports Academy

Body of the email:

Dear <First Name Last Name>

We are glad to inform you that your registration process is completed and your Player ID is created with Dharan Sports Academy. Please note your Player ID is "OXFS0006"

Please mention this unique ID for any further communication and records.

We wish to inform you that your registration details was sent for approval process with Dharan Sports Academy and will be approved in 24 hours. Once approved you will be notified for the same and will get full access to the systems

We once again thank you for the interest shown with us and we assure you the best services.

6. ADMIN PAGE:

DASHBOARD

Dashboard to display the below details that are pending for the admin to act:

1. Pending Registrations – Count and Click for more details

This should display the registration which are pending for email verifications post 24 hours' time period

When clicked for details it should display the following details in a grid view

Player ID, Player First Name, Player Last Name, Email ID, Phone Number

Additionally add the 2 more column called:

1. "Follow-up 1 Date" where the admin has to update the First Follow-up date done
2. Enable "Follow-up 2 Date" post 24 hours of Follow-up 1 Date where the admin has to update the First Follow-up date done

After 24 hours of Follow-up 2 Date, enable a check box to deactivate the pending registrations where admin can deactivate the registrations pending which will no longer show as pending with us.

All deactivated incomplete registrations has to be updated as "Incomplete Registrations - Deactivated". Hence when the same user registers again they can use the same email id to register and need not validate the email ID registered with us

Trigger an email to the user email as below:

6.1

Email Trigger for Incomplete Registration:

All emails should be triggered from support@dharaansports.in

Email Template:

From: Dharan Sports Academy

To: Registered Email ID of the User

Subject: Email Player Incomplete Registration & Deactivated from Dharan Sports Academy
